## Remembrance commemorations in Ringwood

Over the Remembrance period there are a number of commemorative services taking place for the people of Ringwood to come together to remember the service and sacrifice of all those that defended our freedoms and protected our way of life.

This will begin on Saturday 4th November with a service at the War Graves in Ringwood Cemetery. Poppy crosses will be laid on the graves of service personnel whose last resting place is Ringwood. This service is open to all; meet in the Cemetery Car Park at 10.45am and then walk to the Graves.

On Armistice Day, Saturday 11th November, there will be a service at the War Memorial at 10.45am and at 11am the National 2 Minutes Silence will be observed. In accordance with local tradition, the start and end of the silence will be marked by the firing of a maroon which will generate a loud bang to be heard around the town. On Sunday 12th November, Remembrance Sunday, there will be various services around the town after which a parade will gather in the Market Place from 11:30am.

### Here goes nothing!

When I first broached the idea of running a newspaper with my wife she thought I was nuts! But here we are.

We feel privileged that Michael and Gillian have entrusted us with their legacy. We will try our best to continue their good work, supporting local businesses and groups, helping them to spread their news.

A very special thanks to Brian Cooke for his continued dedication and support, without which we would not have been able to make such a seamless transition. After 18 years of service to the paper, Brian agreed to stay on until the New Year, when he intends to retire. Rae Frederick will be shadowing Brian and taking over sales from January.

If you have a story you want to share or want to discuss advertising opportunities please get in touch. If you're in the area and want to pop in to discuss your next advertising opportunity or just to introduce yourself pop in to our offices at 2 High Street, Ringwood.

For now, it's very much business as usual. We'd like to thank you for your continued support.

## HAMPSHIRE COUNTRYSIDE AWARDS

### The Hampshire Choice Award Public Vote is open!

CPRE Hampshire is the countryside charity that campaigns to promote, enhance and protect the countryside for everyone's benefit, wherever they live. We work with communities, businesses and local government to find positive and lasting ways to help the countryside thrive - today and for generations to come.

CPRE Hampshire is delighted to announce that the 'Hampshire Choice Award' public vote is open. Part of the Countryside Awards 2023, four fantastic projects have made it to the final, the winners of the four Awards categories:

- The Grassroots Award
- The Landscape Award, sponsored by the Hastoe Group
- The Environmental Education Award
- The Sustainable Communities Award, sponsored by the Newbury Building Society

The four finalists will be in with a chance of winning the Hampshire's Choice Award top prize of £500. Simply vote for your favourite project and the group with the most votes wins!

This is an amazing opportunity to show your support and learn more about some of the wonderful work being done to enhance our beautiful Hampshire Countryside.

To cast your vote, simply visit the website

[www.cprehampshire.org.uk/hampshire-choice-award-cast-your-vote](http://www.cprehampshire.org.uk/hampshire-choice-award-cast-your-vote)

and select your favourite entry from the list of finalists. Only one vote per person.

Voting is open until the 5th December 2023.

CPRE Countryside Charity Hampshire Chair Margaret Paren thanked all the people who have submitted entries to the awards. "The Countryside Awards are a real celebration of all the hard work and dedication of so many people working to support or enjoy the countryside in different ways. It is genuinely heartening to see the scope of work going on throughout Hampshire by people with similar values and ideals to CPRE Hampshire; protecting a thriving countryside for all to share and enjoy. I look forward to seeing who our final winners are and am excited to meet them all at the Awards event in December.

Our thanks go to our wonderful sponsors at, Hastoe Housing Group, and Newbury Building Society, and our support from, Hampshire County Council Rural Communities Fund, for making these awards possible'.

### Your community needs you!

The Two Bridges Care Group had an extraordinary meeting this week, because the group is running out of drivers and coordinators.

Two Bridges is a care group which voluntarily provides transport services to local hospitals, doctors, dentists etc, for those who need it. To enable the group to meet these demands, it is always in need of volunteer drivers, and coordinators. The coordinator job consists of keeping in touch with the drivers, to assist them in fulfilling the needs of the clients/patients. They get paid expenses and the real reward is the gratitude and appreciation of those in the local community.

Recent good news includes the recruitment of three new drivers and the introduction of a new easy-to-use automated computer-based booking system/electronic diary, which is working very well; all going to make the drivers' and coordinators' jobs even easier!

For further details, please do contact Derek Ayling, vice-Chair and publicity, on 01425 650770 or on email: [Hippotrain@BTInternet.com](mailto:Hippotrain@BTInternet.com)

## Fordingbridge Conservation Group Autumn at Bishop's pond

BISHOP'S POND CONSERVATION SITE IS AT THE CORNER OF NORMANDY WAY AND COTTAGE MEWS, FORDINGBRIDGE, SP6 1RJ.

We have recently been doing surveys of the many varieties of fungus found around the pond banks and in the long woodland area. Collared Earthstar, the richly coloured Amethyst Deceiver, Coral Spot, Beechbark Spot, King Alfred's Cakes, and Candlesnuff Fungus to name but a few, and a highlight was to discover the well-named Inkstain Bolete, which rapidly floods with deep blue when cut. Visitors are welcome to explore the conservation site on any of our working party sessions to find out more about its flora and fauna, its history and our plans for its future management. Volunteer help

is always welcome; just bring gardening gloves and secateurs if you have them!

Children are welcome to help if accompanied by an adult. Our next work parties, on **Mondays, Saturdays and Sundays, all from 2.00 to 4.00 pm** (weather permitting!) are scheduled for:

- November: Monday 4th, Saturday 18th, and Sunday 26th
- December: Monday 4th, Saturday 16th
- 2024 - January: Monday 8th, Saturday 20th, Sunday 28th

Come along and support your local Conservation site!

AVAILABILITY OF AND PUBLIC ACCESS TO ALL PREVIOUS R&F NEWS ISSUES SINCE 1990.

As Darren and Naomi take over as publishers, it may be of interest to readers of the News, both old and new, that an entire collection of the magazines from Issues 1, published in March 1990, to 869, is held at Ringwood's 1727 Meeting House and History Centre. In addition, the current Archive of over 400 files includes a full set of Tony White's "Yesteryear" articles;

photographs old and new, a chest full of OS maps and plans; books and magazines; a variety of artefacts, plus monthly exhibitions (this month the annual "Lest We Forget" one), all providing a wealth of inter-connected local information to assist families and researchers with centuries-worth of details to supplement their own research. Entrance is free, and excellent value refreshments are available on site. With his extensive knowledge to hand, creator of the archive and local historian John Hawkins is usually present and available to assist on site on Wednesdays and Fridays.

Alternatively, he can carry out researches on behalf of visitors or other enquirers, both local, nationally based, or from overseas. Costs of his efforts are limited to any materials usage alone, which are covered by requested donations. An equivalent sum is subsequently passed on to the Trustees. The Meeting House receives no regular formal or regional financial funding, and relies entirely on income from its own efforts and events, supported primarily by its team of volunteers.

## Sandleheath Traffic Action stakeholders approve project development

SANDLEHEATH TrafficAction (STA) is a project to reduce widespread speeding in the rural village of Sandleheath. STA is a sub-group of Sandleheath Parish Council and since its inception, the STA team has been developing its plan at pace.

STA's mission is to promote road safety, enhance the quality of life and preserve the environment in Sandleheath. The parish intends to achieve this by introducing new traffic management measures to increase driver awareness, influence driver behaviour, engender driver care and present Sandleheath as a distinctive residential area - a safe, attractive community space.

Having completed a full inspection of the village to record its features and traffic hazards, the STA project has just reached an important milestone. The team has held two critical stakeholder meetings to gather issues and ideas from both Sandleheath residents and the many commercial companies that are located in the vicinity. Some 30 members of the community representing each area of the village attended the first of these, and at the second meeting a number of local company managers ensured that the team had taken their concerns and interests into account.

Volunteer Project Manager Mike Richardson said: 'STA is determined to carry our residents and our local businesses along with us as we jointly develop our plan. Our stakeholders' meetings were hugely successful and we believe that the village is firmly behind our endeavours'.

The team now has a full list of the prevailing problems and can move on to devising measures to address them. Mike

Richardson explains:

'In Sandleheath we have several housing areas, a thriving industrial estate and we sit on a busy crossroads that links several local towns and

villages. Clearly, physical barriers will impede both residential and business traffic flow, so instead we intend to introduce contemporary measures on our roads and surroundings that will display our village as a proper residential space, a place for drivers to respect and take care. We call this process 'villagisation', and we're forging ahead to put it into effect.

We recently hosted a most useful visit here by Hampshire County Council Traffic Management who have given us some great ideas for how to adjust the look and feel of our roads. But much of our villagisation initiative will be down to ourselves - enhancing the appearance and presentation of our village. This is a project for our whole community.'

The Chair of Sandleheath Parish Council, Caroline Kemp said:

'Sandleheath Traffic Action is developing rapidly and has worked hard to gain the support of so many of our residents and businesses, and I'm really delighted that Hampshire County Council is supporting this important community project so well.

## Energy efficiency checker for New Forest homes

**NEW Forest District Council is making it easier for residents to find out how to improve the energy efficiency of their homes with a new online tool.**

The free to use system, called 'Cosy Homes New Forest', can create a refurbishment plan to make homes warmer, reduce carbon footprint, and cut energy bills.

<https://cosyhomesnewforest.planbuilder.co.uk/>

Residents looking to make positive changes to their homes can add in a budget amount and what they want to work on improving, they can then see different suggestions and scenarios to create a plan that suits them.

Cllr Steve Davies, Portfolio Holder for Housing and Homelessness, said: "The energy efficiency checker is quick and easy to use. All that I needed to get started was to add in my postcode and it recognised my home straight away. "It considers priorities like reducing energy bills or aiming for

zero carbon. Being able to mix and match improvements gave me options which I will be able to consider further, like low energy lighting and an air source heat pump." The tool is also useful for landlords who want to comply with the Minimum Energy Efficiency Standards.

**Sir Desmond Swayne visits Fordingbridge Greener Living Project**

THE Repair Café, part of the Fordingbridge Greener living project, welcomed a special guest last Saturday morning, when Sir Desmond Swayne, MP for New Forest West, visited the AvonWay Community Centre.

The Repair Café concept, a Dutch idea, encourages people to repair, recycle and re-use older equipment, rather than buy new. Its theme “Repair for all”, encompasses it all. Sir Desmond Swayne signed the Fordingbridge “UK repair and re-use Declaration” before he went on his way. The objective of the Declaration is to make recycling easier, lawful and more affordable, through tax advantages and repair voucher schemes.

The Repair Café meets on the third Saturday of the month in the Annexe of Avonway, and encourages people to bring their items to be repaired and stay to help. This enables them to learn the requisite skills for themselves, so that they can continue repairing, recycling and re-using their goods.

The photo depicts Dave Sanders (Project Lead, left) and Steve Tonkin (one of the repairers, right) discussing details with Sir Desmond.

For further information, do contact Project Lead, Dave Sanders on David.K.Sanders57@GMail.com or Alison Ayling of Fordingbridge Greener Living, on hippotrain@btinternet.com

# New Chair for New Forest National Park Authority

**David Bence has been elected as the new Chair of the New Forest National Park Authority.**

DAVID has been an Authority member since January 2018 and was elected Chair at the Authority's AGM on 19 October. Born in Somerset and now living in Hampshire, David has been visiting the New Forest since childhood with his family connection to the area going back to WW2.

David joined the Authority after a full and varied 30-year career in the Royal Navy where he commanded at all levels and operated across the full spectrum of maritime and joint operations. Having worked in the defence industry and as a strategic consultant he now works as a freelance unexploded ordnance mitigation specialist with an interest in evolving that activity to minimise impacts on the environment. He has a love of the outdoors and nature and is passionate about conserving our natural flora and fauna and the rural way of life. A 'lockdown' sourdough baker he has recently taken up bee keeping and home-made charcuterie.

David will continue to be deputy chair of the Authority's Resources, Audit and Performance Committee, as well as representing the Authority on a number of national and regional organisations and remains Chair of the Forest Farming Group. Victoria Mander was elected as Deputy Chair at the October Authority meeting and has been on the Board since September 2020.

Victoria is a wildlife conservationist who has worked on multiple projects in the UK and overseas and is a member of the Chartered Institute of Ecology and Environmental Management.

After working within the charitable sector for over 10 years, in 2018 Victoria founded Vision Wild, an organisation which supports charities and land managers to design, manage and evaluate nature conservation projects.

Deputy Chair Victoria Mander

Victoria, from Cambridgeshire, grew up in the countryside and her first links with the

New Forest came through her childhood New Forest pony. She's since always held a love of the National Park for its unique landscape.

Victoria also sits as a trustee for the Osprey Leadership Foundation, a charity committed to inspiring and empowering young conservation leaders.

David and Victoria replace out-going Chair Prof Gavin Parker and Deputy Chair Patrick Heneghan who both remain as Board members. They were thanked for their hard work at the meeting.

The Authority's 22 members are the people with overall responsibility for making decisions. They are responsible for setting policies and priorities, ensuring efficient and effective use of resources and that money is well spent. It is their job to represent the interests of the National Park and to balance out any conflicting pressures.

David said: 'Our aim as Chair and Deputy Chair is to protect the New Forest and deliver nature recovery by continuing the good work of our predecessors Gavin and Patrick through ensuring that every decision that affects the Forest is made through the lens of our statutory purposes and working collaboratively and inclusively with communities and our partners and colleagues across the Forest.'

Members Mary Davies, Mel Kendal, Keith Mans, Dan Poole, Joe Reilly, Ann Sevier, Brice Stratford and Derek Tipp were also formally welcomed to the board.

**THE Making of a New Public Pleasure Garden at Holme for Gardens**

Simon Goldsack, Head Gardener at Holme for Gardens in Wareham, started Holme Nurseries in 1991 and felt that due to the diminishing size of gardens these days and the lack of time and money for people to make their own dream garden, he would like to create a beautiful place for people to visit and enjoy. Holme for Gardens is on the north west corner of the Isle of Purbeck and covers 22 acres.

Simon believes that a garden should have a good design with or without flowers to provide interest all year long. He took his inspiration from walking round numerous other influential gardens to see how they were made. He showed the Society slides of the really impressive results which include all kinds of different landscaping and planting. There is even a "Holme Henge" made from Purbeck stone.

The garden is designed to be sustainable with solar panels and its own reservoir etc. It is financed by a Garden Centre, Farm Shop, Tea Room and plant sales.

The next meeting of the Society is on Monday 27th November 7.30pm at Avonway Community Centre in Fordingbridge when we will be holding our AGM. The table show will be A Seasonal Arrangement.

# Think Spring

**IT was a delight to plan for the spring which now the clocks have changed seems such a long way ahead.**

Tim Woodland gave an entertaining and encouraging talk to members of the Ibsley and District Horticultural Society all about bulbs -not so much a light bulb moment, but clear thinking on their joyous display in spring and autumn!! – He showed us different kinds, how to plant them, how to care for them and how to enjoy them. He even brought lots of bulbs for sale so we were all very much cheered up on a wet and blustery night.

Tim explained that about 70% of daffodils grown in Cornwall are for the cut flower trade and that what we all like best is traditional yellow daffs. However, most bulbs for sale in garden centres are sold by the “picture “ on the packet and if you want something special or different then going to online sales will suit you best.

Tulips for instance are now being developed which have leaves of varying colours and patterns so it is not just the colour of the flower which will give delight in spring but they will last into early summer with exciting foliage colour.

All gardeners know how important it is to encourage wildlife into our gardens ( except deer and rabbits ) and the wide selection of alliums now available does just that. This is an important selling point for these bulbs.

All bulbs need feeding to ensure they flower the following year so he advised us to feed them when in flower and leaf, and never ever cut away leaves after flowering as leaves are needed for the

bulb to get nutrients for growth to ensure flowering the following year.

Tim suggested rotted humus or a fertiliser with phosphates in it like a tomato feed would be very beneficial. Bulbs need to be planted now, in autumn, so this was a timely and enjoyable meeting of this thriving garden club.

*photo of winning vase of flowers by Di Barnaby*

Additionally the member's competition showed some really lovely flowers and vegetables, all home grown. Again it kept us all in good spirits to see what members can grow even in late October.

With meetings like this to help us all keep cheerful over winter, why not come along to a club night at Ibsley Village Hall (BH24 3NL) on the last Thursday of every month at 7.30pm. Visitors will get a big welcome and whilst there may not always be bulbs for sale there are often plants for sale, tea and coffee and the company of like minded gardeners.

## Burleys Home Care Winners Again

**JOIN us as we Celebrate 6th Consecutive Year As Top 20 Home Care Provider Burleys Home Care Registered Managed Natasha Choto and Director Paul Burleys 'Top 20 Home Care Provider in South West England' for the 6th consecutive year.**

In the world of home care, there are moments of victory that stand out and leave a true ripple of accomplishment throughout our entire team. I have the privilege of sharing with you one of those remarkable achievements as here at Burley's Home Care we have been awarded 'Top 20 Home Care Provider in South West England' for the 6th consecutive year. This recognition is a huge testament to the unwavering commitment, dedication and daily excellence provided by our team of incredible caregivers.

### **More Than Just a Business**

When our wonderful founders, husband and wife Paul and Carly, set out on their journey to create Burley's Home Care, they had more than just a business in mind. They wanted to create a place where families could feel confident knowing their loved ones were in the best possible hands. Breaking away from the clinical rush that often characterises caregiving, they understood the importance of not just meeting the basic needs in a tick-box home visit but really nurturing emotional well-being and leaving each and every service user feeling truly cared for with a warm and genuine connection to their caregiver.

### **A Family of Care**

Here at Burley's Home Care what really sets us aside from our competitors is the family orientated atmosphere you feel the moment you walk through the door each day. Paul, Carly, have forged a team who are as passionate as themselves in providing personalised, compassionate care, all who leave each and every call satisfied that well-loved family members all over Hampshire and Dorset are able to stay in the comfort of their own home. Our personal touch means clients become part of an extended family, where caregivers become friends and genuine connections are forged. Our care is tailored, detailed, and most importantly, it's full of genuine care and compassion.

### **The Journey Ahead**

As we celebrate our sixth consecutive Top 20 Home Care Provider award, we look to the future with hearts full of gratitude and determination. The journey that Paul and Carly started with a dream has excelled into a heart-warming business that we are all so proud to be a part of, creating a great impact throughout our local community.

Our years of hard work have shown that it's not just about providing care, but about offering a genuine embrace that makes families feel at ease and safe. As we continue to write the chapters of the Burley's Home Care story, one thing is certain – our team will continue to work hard and support families in keeping their loved ones at home where they belong.

In a world that sometimes rushes by, we stand as a reminder that time, empathy, and genuine connections are the true pillars of quality home care.
