Ringwood Remembers on the 80th Anniversary of D-Day

Photos courtesy of Derek Maidment

The town of Ringwood gathered in huge numbers at the War Memorial Gardens on June 6, 2024, to commemorate the 80th anniversary of the D-Day landings. This solemn occasion was marked by the lighting of a new town beacon and a heartfelt reading of the International Tribute, beginning with the poignant words: "Let us remember those who gave their lives at home and abroad during the D-Day landings, whose sacrifice enables us all to enjoy the peace and freedom we have today."

Do you need to come clean with HMRC?

At Donaldson Ross & Co we often get contacted by individuals who have received letters from HMRC prompting disclosure of rental income that they haven't declared previously.

More often than not HMRC have this information spot on, and they've used one of their IT systems to pinpoint specific individuals for undisclosed income. HMRC's Connect IT system scours vast databanks of personal and commercial data to link individuals with assets, income streams and transactions.

For example, Connect could scan the Land Registry to see you've purchased a second property and subsequently review the likes of Zoopla and RightMove to see whether the same property has been

advertised for rent. It could also look at sites like AirBnB to see whether it have been offered as a holiday let. If things didn't add up, the system could then start examining your financial records to see whether you've started receiving potential rent payments.

In other words, as soon as the system has one transaction to work from - the purchase of a second home - it instantly cross references that with a huge number of other data points and could then lead it to flag up an individual's tax affairs.

Fortunately HMRC have confirmed that other factors also weigh into the decision to open an investigation as automated systems often flag false positives too.

Regardless of how HMRC get your

data, penalties are harsher if HMRC find out about undisclosed income.

To help reduce these penalties, we can assist you in preparing a disclosure of untaxed income.

To find out more information about the process and how we can help if you're caught in this situation, scan the QR code below to read the full blog:

Teamwork makes the Dreamwork

In today's interconnected world, the importance of teamwork cannot be overstated. Whether in business, sports or any collaborative effort, teamwork is often the key driver behind achieving extraordinary results. It brings together diverse perspectives, harnesses collective strengths, and fosters an environment where creativity and innovation can thrive.

We are both acutely aware of the importance of teamwork and recognising successes. Between us we have a number of different ventures that would not be able to function without the support of others.

In the last issue we introduced you to Rae Frederick, who deals with advertising. Rae's latest achievement was being officially appointed the Mayor of Ringwood. We wanted to personally extend our congratulations to Rae. Her dedication and enthusiasm for the role is second to none and we look forward to showcasing her achievements in the future.

As well as Rae, Darren is also supported by an amazing team at Brightwater Estate Agency. This weekend, it was the annual Dragon Boat Race at Poole Park, hosted by the Stables Family Trust. Once again,

Jo, Amelia, Jenny and Izzy picked up an oar and rowed their socks off to raise money for a fabulous cause. Supported by Katie Lloyd Coaching from the Loose Connections Networking Group and Rachel Murphy from Loose Legal, it was great to see everyone working together and having fun. Here's looking forward to the Pedal Car Grand Prix!

New Forest District Council reminds residents about new rules for voting in elections ahead of General Election.

New Forest District Council (NFDC) is reminding all eligible voters to ensure they have the necessary photo identification to be able to vote at a polling station in the upcoming General Election on Thursday 4 July 2024.

The council, responsible for running the General Election for the New Forest East and New Forest West constituencies, is also urging postal voters to return their vote in the correct way or risk it being rejected.

Voter ID is now a legal requirement for casting a vote in person, and voters will not be permitted to vote at a polling station without it.

There are over 20 types of valid ID including passports, driving

licences (including provisional), Older or Disabled Person's bus passes, and Oyster 60+ cards. The full list is on the council's website. People without any of the acceptable forms of ID, can apply for a free Voter Authority Certificate to use in the

General Election, before the deadline of 5pm on 26 June.

In addition to the voter ID requirements, there have been changes to the national regulations for returning postal votes, including that postal votes put into letterboxes at council offices must be rejected, and the vote will not be counted.

NFDC advises the easiest way to ensure a postal vote is counted, is to return it using Royal Mail. This can be by putting it into a post box, handing it in at a post office, or getting it collected by the Royal Mail collection service.

There is also a limit on how many postal votes can be handed in of 5, in addition to a voter's own.

Postal votes can be returned to NFDC information offices during opening hours if a required form provided by the office is also completed with a member of staff. Postal votes can also be handed in at designated polling stations on polling day (7 am to 10pm Thursday 4 July), and the staff there will be authorised to complete the form required with the person handing them in.

For more information about taking part in the General Election, please visit the New Forest District Council website and follow the home page link.

Key dates for the General Election (UK Parliamentary) on Thursday 4 July:

- Registering to vote deadline is Tuesday 18 June
- Applying for a postal vote deadline is Wednesday 19 June, 5pm
- Voter Authority Certificate application deadline is Wednesday 26 June, 5pm
- Applying to vote by proxy deadline is Wednesday 26 June, 5pm
- Emergency proxy deadline is Thursday 4 July, 5pm

The tribute was delivered by Town Mayor, Ringwood Town Councillor Rae Frederick, who reflected on the significance of the event, stating, "This evening has been a fitting tribute to D-Day 80 – dignified, reflective, and an opportunity to express our gratitude to those who gave their lives, so we could have the freedoms we enjoy."

Ringwood Town Council, the organizer of this memorable event, extends their heartfelt thanks to all attendees and the local organisations that supported the commemoration. Special thanks go to the Ringwood and Burley Band and Greyfriars Community Centre for their invaluable contribution on the evening.

Ringwood Neighbourhood Plan

REFERENDUM

4 July 2024

Here is a summary to help you understand what you are voting on:

The Ringwood Neighbourhood Plan will set the standards for future development in the town – it contains policies that must be taken into account when deciding planning applications and will ensure that new development is suitable, sustainable, in character and of high-quality design. It has been drawn up by a working party of interested local residents and Councillors, and has been through consultation stages with the public and the District and National Park planning authorities.

KEY POINTS

Housing – The Plan supports a community where everyone can find a place to call home. It prioritises smaller, affordable houses, ensuring that Ringwood remains accessible to all residents.

Energy Efficiency – The Plan champions sustainability and includes energy efficiency standards to reduce our carbon footprint.

Preserving Character – Ringwood’s charm lies in its unique character. The Design Code within the Plan ensures that any new development maintains our town’s distinct identity while adhering to high-quality standards.

Environment – The Plan designates a Green Infrastructure and Nature Recovery Network and promotes biodiversity and improvements to green spaces. It also encourages active and healthy travel and identifies opportunities for improvements to walking and cycling routes.

Town Centre – The Plan supports a successful and prosperous town centre and promotes regeneration opportunities to deliver retail, cultural, environmental and business investment.

Funding for Local Projects – If successful, the Town Council’s share of the Community Infrastructure Levy will increase from 15% to 25%, providing additional funds for vital Ringwood-specific projects.

The Referendum Question:

Residents will be asked a straightforward yet impactful question: “Do you want New Forest District Council and New Forest National Park Authority to use the Neighbourhood Plan for Ringwood to help it decide planning applications in the Neighbourhood Area?”

How Your Vote Matters:

Your voice matters. By participating in the Referendum, you’re shaping the future of Ringwood. Whether you’re a long-time resident or a newcomer, your vote counts. More details of the Plan policies and supporting evidence can be found by using the internet link: <https://www.newforest.gov.uk/ringwoodplan>

Talk On the New Forest in Fordingbridge

On Friday 14th June, Fordingbridge Museum is presenting an illustrated talk by Roger Burfitt from the New Forest Association. The presentation will encourage the audience to look at the New Forest from a range of different perspectives.

Jon Ingham, Chairman of the Friends of Fordingbridge Museum, said, "Roger Burfitt will be returning by popular request after his outstanding talk about Railways of the New Forest last year. The talk is aimed at people who love the Forest and would like to know more about it. It will also be of great interest to newcomers to the area who might like to learn about the great national asset that we have on our doorstep."

Roger Burfitt said, "The aim of the talk is to remind people what a special place the New Forest is and why it continues to need all the friends it can get. I will cover the history of the Forest, the landscape, the wildlife, the work that goes on in it and the people who sustain it. I will also look to the future of the Forest and the work that is being done to recover lost landscapes."

The talk is at Avonway Community Centre in Fordingbridge. It

starts at 7.30pm and tickets are £10 to include light refreshments.

Tickets are available from Fordingbridge Bookshop, Fordingbridge Museum or www.ticketsource.co.uk

Big Church Festival

is rated in the top ten of all festivals in the UK.

Around 30 people from the Ringwood area have recently returned from a weekend at the stunning estate of Wiston House in West Sussex. Joining in with 30,000 people of all ages, diverse backgrounds and from all over the UK was amazing.

Big Church is a gathering of Christian musicians, singers and performers of a wide variety of genre, suitable for all tastes, as well as providing lots of activities to keep children entertained. It is also great that you can choose to buy food/drink from a vendor or just take your own in with you.

There is the option to camp with your own tent, caravan, go glamping or even as some of us oldies do, book a B&B in the local area.

2025 promises to be even bigger and better as it will be held over the August Bank Holiday for three days

For any further information, check out the website at www.bigchurchfestival.com, contact local churches – the Parish Church in Ringwood or Poulner Baptist Chapel or even myself – Anne Melrose on 07550 089967

Florence the Hedgehog Champion

Florence Woodger, age 8, was travelling to music practice one evening last autumn and spotted a small hedgehog crossing Northfield Road in Ringwood.

By the time she and her mum managed to turn the car around the hedgehog had been run over. Florence could have just been upset and done nothing about it, but instead she wrote to the then Town Mayor, Gareth DeBoos, who invited her to address a meeting of Ringwood Town Full Council. This she bravely did in November, and she wondered whether anything would happen!

To her surprise a few weeks ago she was presented with a sign to put up in her front garden. The sign, funded by Ringwood Actions for Climate Emergency (RACE) was dropped off by Gareth and his wife Mary to Florence's delight, she declared 'I am really happy, grown-ups should listen to children more!'

Florence's mum Laura said 'I'm so proud of her for taking action and speaking out on something she feels passionate about. Children often see things that others miss, and it is so important to listen to their views and thoughts. The fact that Ringwood Town Council not only listened but through their connections to RACE responded to Florence's concerns is fantastic and sends a great message to children that they can make a difference.'

Pictured is Florence with her sign.

Laura went on to explain 'We are pleased to see that a survey of the hedgehogs in Ringwood is being run so that hotspots for unfortunate fatalities can be identified for more signage next year. We

would urge everyone who sees a hedgehog (alive or dead) to complete the survey at <https://www.raceagainstime.org.uk/what-is-happening/>.

The British Hedgehog Preservation Society and the People's trust for endangered species (Ptes) reported in 2022 that "Hedgehogs in Britain have undergone a long historic decline, but differences between urban and rural populations are becoming increasingly apparent. In urban areas, the picture is of a stable population that might be recovering, highlighting the importance of gardens and green spaces, and local

action, in ensuring a future for hedgehogs." This action by Florence is exactly the sort of thing that is needed to ensure we all have the opportunity to see hedgehogs in the future.

A new chapter for the Hair Business

After fifty years in hairdressing and forty years owning and running the Hair Business, on Friday 31st May, Mark is hanging up his scissors and retiring!

Mark trained as a hairdresser at Salisbury Art College. He left college with his City and Guilds in hairdressing in 1976. He worked for Raymond in Southampton, Birmingham, Bournemouth and was their youngest ever Salon Manager in Windsor. With a fast growing reputation in managing big-named salons, the offers began to tempt Mark, who chose to relocate to Ringwood and settle with his growing family. He went on to manage two further salons in Bournemouth.

At an impressionable age, Mark had seen his grandparents and uncle being successful hairdressers in Salisbury. In 1984 Mark decided it was time to realise his career long ambition to open up his own hairdressing business and in September of that year The Hair Business in Ringwood opened its doors for the first time.

Mark has always been so proud of the teams that have supported him over the years.

In February 2006 Mark's daughter Claire, who had completed her apprenticeship with the Scissors group in the Bournemouth salon, joined the Hair Business as a stylist. For the past eighteen years, with Claire as the salon's creative director, the two of them have worked together striving to provide their clients with a friendly, professional service, specialising in expert cutting and creative, skillful colouring techniques.

The time has come for a change. Claire will be taking over the ownership and the running of the Hair Business. Some things will change but one thing that will remain a constant will be the exceptional hairdressing the Hair Business has always been proud

to offer.

Mark has always been an enthusiastic ambassador for hairdressing as an exciting and creative career path.

Mark would like to thank all the clients who have supported the Hair Business over the years.

Claire would like to welcome clients old and new to come and enjoy the Hair Business experience.

Thank you Mark for all you have done in hairdressing and good luck Claire in your exciting new venture.

Have a clear out? Your rubbish could be someone else's treasure!

On Sunday 16th June there is the opportunity to join in the Ringwood & Area Kerbside Freecycle.

Lindsay Andrews, from Greening Ringwood and Ringwood Actions for Climate Emergency said "I'm looking forward to the things I no longer need finding new homes. It's very simple, you just put out your unwanted items on your drive and people can collect anything they want. Old plant pots, vases, bikes, clothes, toys, anything that someone else might use or need."

This will be the 2nd year for this event in Ringwood and it is timed to be part of the National Great Big Green Week organised by the Climate Coalition.

Lindsay went on to explain "To join in simply email us or complete the form via the QR code and your address will be added to the map. This map will be available on-line so anyone can find the places taking part. If you don't have a drive of your own why not share with neighbours or friends who do?"

Access free training with New Forest HEAT project

New Forest community group, New Forest Transition CIC, is excited to have just received grants totalling £40k. The funds are coming via partner organisations New Forest District Council and Community Energy South, and include a major contribution from the Government's Shared Prosperity Fund.

This funding will enable New Forest Transition's newly-formed HEAT project (Home Energy Advice Team) to deliver an energy saving advice campaign right across the New Forest. This will ensure that as many local residents as possible receive information on how to reduce their energy usage and costs.

This coming autumn and winter, the HEAT project will be providing an energy skills training programme, free of charge to anyone who wants to be part of the project's energy advice volunteer force and who also lives or works in or close to the New Forest. The project's trained volunteers will then be delivering energy advice and thermal-imaging surveys directly to New Forest communities. This will be primarily through home visits, but also through local energy events at village halls.

New Forest Transition also want to recruit part-time paid team members to organise and implement the HEAT project's training campaign, its neighbourhood energy advice service and thermal-imaging service, and its energy events calendar.

New Forest Transition director Jonathan Blease said, "New Forest Transition are very grateful to be receiving this grant to expand the work we have been doing through our Schools Energy Project since 2012, and informally since New Forest Transition began in 2008. This will make a significant difference to the number of New Forest homes and communities we can now reach to assist and support them with saving energy".

Ringwood Community Fridge is 3 years old

Ringwood Community Fridge is now celebrating its 3rd birthday. A Ringwood Actions for Climate Emergency (RACE) project coordinated by Lindsay Andrews, the fridge is one of over 500 that form the National Hubbub Community Fridge Network. It is based in Ringwood Library and aims to save food from waste, thus helping to reduce our carbon footprint. With over 100 tonnes of food saved since it opened it has been a huge success.

Pictured are some of the volunteers and Library Staff at the fridge's birthday party.

The fridges, freezers and outside community larder are run entirely by volunteers. Lindsay Andrews, the fridge co-ordinator explained "Our volunteers do such an amazing job. They work together wonderfully as a team, going out to collect and process donations from local supermarkets in all weathers and often at 9 or 10pm. I am so proud to be part of this team!"

Nakita Baskerville who has been a volunteer since the beginning said "From small beginnings with a couple of donations a week, the fridge has expanded significantly. We have seen new volunteers join and more and more donations from our lovely local supermarkets and shops. It has been a joy to be part of this journey and we look forward to many more years of saving waste and helping the community."

Keeping the fridge going costs around £1,000 a year for cleaning products, electricity, insurance, replacement fridges and storage containers. Recent sponsorship from COMAX UK provides free cleaning products but our charity still pays around £750 a year to keep everything going.

"We would like everyone to be part of this 3rd birthday celebration, and to be with us for many more birthdays! As part of our fundraising, we hope that the wonderful community of Ringwood will join

us in the Library on Saturday 15th June from 10.30 to 12.00 for a piece of homemade cake and a cup of tea/coffee in return for a small donation to the fridge. As an extra challenge we are looking for people to make the cakes by using at least 2 ingredients they have received from the fridge. If anyone fancies taking on this challenge do let us know." Nakita added.

Lindsay went on to say "New volunteers are always welcome. If anyone has a few hours to spare and would like to help with our evening collections please get in touch with us, we would love the help."

Ringwood RACE Against Time which runs the fridge is a registered charity – charity number 1189272, more information can be found at www.raceagainsttime.org.uk or for fridge specific questions email ringwoodcommunityfridge@gmail.com

Our New Look Burley's Home Care

A new look for Burley's Home Care, bringing person-centred care to people in Ringwood for 15 years.

Burley's Home Care is launching a new look for the company, with updates to branding, the website and staff uniforms. "We've been in business for 15 years, so it's time for a refresh," said Paul Burley, who founded the company with his wife Carly in 2009. "We're the same team with the same values, but we're improving how we work all the time and we wanted a modern brand to reflect that."

The team at Burley's Home Care know that when you or your loved one needs care, it can be a worrying time. We are here to hold your hand throughout the process, from understanding your options and getting the right funding advice, through to building a care package that's personalised to your family.

We know how important it is to keep people at home, where they can live as independently as possible in familiar surroundings. We build our care around you, giving you the control when it comes to what you want from visiting or live in care.

Maybe you need support getting around or with day-to-day activities, or expert care for someone with dementia or learning disabilities. Whatever your circumstances, at the centre of our care is connection. You'll get regular visits, at the same time of day and from the same carers who will build a rapport,

build your confidence and help you build the life you want to lead. By treating every person they see with the same care and compassion they would afford to their own relatives, Burley's Home Care has built an excellent reputation for delivering truly personalised and high-quality care.

Burley's Home Care is a small, family-run business, built on the belief that people deserve better when they need care at home. And that's what we deliver; care with a human connection.

If you would like to talk about our care packages or career opportunities,

please contact us on care@burleyshomecare.co.uk or call 0345 512 0022.

Our Stories

Mr CC lost his wife and then had a stroke, which left him struggling to cope at home by himself. He now has two live in carers who cater to all his daily needs, including grooming, medication, skin care and continence care, as well as taking him to hospital appointments, out shopping and to for coffee or for a meal. Mr CC wanted to continue living at home and to remain with his beloved cat – which also is looked after by our carers!

Talk at the Meeting House

Hampshire Genealogical Society continue their summer program in Ringwood Meeting House on Wednesday 19th June at 7pm with a talk by Ringwood Historian Mary Baldwin called the Magnet of the Cod.

There's fishy gold in them there seas!"

Learn about the importance of the Newfoundland cod trade to the Ringwood and Dorset economy during the 18th century. Local historian Mary Baldwin will describe the lives of some of the Ringwood merchants who made (and lost!) their fortunes supplying the cod-fishers. She'll share the stories of the men who went out from Ringwood to Newfoundland, some to stay forever and others who returned

Mary's talks are always interesting and visitors are welcome.

STRONGER TOGETHER ACROSS
RINGWOOD & FORDINGBRIDGE

A Poulner Players Into the Spotlight

Poulner Players stepped back into the Spotlight at the end of May with an all-singing, all-dancing cabaret show.

A large ensemble cast took to the stage at 1st Poulner Scout Hall to perform Disney favourites, West End showstoppers, and even a couple of classic scenes from theatre-based comedies.

And, in a twist from the usual format, audiences were invited to bring their own food and enjoy drinks from the bar during the performances, for a full table-set cabaret experience.

The show was the brainchild of Poulner Players member Danielle Morris, who joined forces with Becky North to co-direct proceedings.

Danielle said: "Unfortunately, it proved impossible to cast our original production, so we were left with a gap in the schedule and very little time to fill it. Somehow, we managed to put Into the Spotlight together and rehearse it in just five weeks. It seemed more like Mission Impossible at the beginning, but the reactions of our sell-out audiences prove it was a smash hit. The cast and crew really stepped up, and audiences got to see just some of the enormous talent there is in the group – especially among our junior

members."

Three performances were staged from May 30 to June 1, with a matinee on the Saturday giving younger people a chance to enjoy the show. A donation from the proceeds will be made to Ellingham & Ringwood Rugby club in memory of Steve Benson. Poulner Players' next production will be the February musical – first details are expected to be revealed at the group's AGM later this month.

For more details about Poulner Players, and to find out how to join the group, visit poulnerplayers.com/contact

Fordingbridge Choral Society Summer Concert on 29th June

"Canzona Brass join with Fordingbridge Choral Society in a feast of showtime music on 29th June. Formed by its leader Tony Waller in 2017, their repertoire ranges from Monteverdi to Abba, thus playing most genres of music. Its members all work with leading orchestras including London Philharmonic, BBC Philharmonic, BBC Big Band, Bournemouth Symphony Orchestra and notably the Syd Lawrence Orchestra.

Together with Fordingbridge Choral Society (under the direction of Nigel Edwards) will be Alicia Wallace- Goulbourne (soprano), Jack Campbell (piano) and Chris Davis (drums) so you can look forward to an exhilarating & foot-tapping Concert of showtime music, including Lullaby of Broadway, It Don't Mean a Thing, Cabaret, The Man That Got Away and much loved tunes from Les Miserables, My Fair Lady, South Pacific and The Sound of Music, as well as favourite songs from Gilbert & Sullivan.

The Concert is being held at St Mary's Church in Fordingbridge on Saturday 29th June starting at 7pm as part of St Mary's Church Midsummer Music Festival. Tickets are £12.50 in advance or £15 at the door with free entry for under 18's. A bar is available in the interval. Tickets are available through ticketsource.co.uk/fordingbridgechoral or at the Fordingbridge Bookshop in Salisbury Street. For more information please ring the Secretary on 01425 656348 or facebook.com/fordingbridgechoralsociety or www.fordingbridgechoral.org.uk. We look forward to seeing you there to enjoy a wonderful musical evening in the splendid Church setting with its super acoustics on a balmy Summer evening."

Forres Sandle Manor Year 2 Win the Prestigious David Shepherd Wildlife Foundation Global Canvas - Children's Wildlife Art Competition

Year 2 pupils at Forres Sandle Manor have clinched first place in the prestigious David Shepherd Wildlife Foundation Global Canvas - Children's Wildlife Art Competition.

Their compelling artwork, which vividly showcases the plight of species listed on the endangered "red list," stood out among over 4,000 entries from schools worldwide. This year's theme was "The Barometer of Life."

Building on last year's success where they secured third place, our pupils this time topped the competition, with a school from Pakistan finishing second. Their distinctive and compelling artwork not only captured the judges' attention but also underscored their deep understanding and commitment to biodiversity and the conservation of endangered species.

Mrs. Dixon-Clarke, their teacher and our Head of Art, expressed her delight: "I am overjoyed at this win. The children put in tremendous effort and effectively highlighted the critical importance of the red list. Their work poignantly illustrates how the loss of these species impacts many other forms of life. Well done to everyone involved!"

This achievement is a testament to the creativity, dedication, and environmental awareness of our Year 2 pupils.

How To Resign From Your Job

Quitting your job requires careful consideration and planning. Here's a brief guide to ensure a smooth and professional resignation process:

- 1. Know Your Value** Understand your market value to ensure fair compensation in your current or new job. Knowing your worth helps in negotiations and reassures you about your decision to resign.
- 2. Draft the Letter** A concise, professional resignation letter is crucial. It formally notifies your employer of your departure date and any agreed terms like gardening leave, protecting you from future disputes.
- 3. Notice Your Obligations** Formally inform your boss and work through your notice period professionally. This can lead to better offers or roles within the company and strengthens future negotiations.
- 4. Pick Your Moment** Schedule a private meeting with your manager to discuss your resignation. Avoid office gossip to maintain professionalism and your reputation.
- 5. Plan for Transition** Prepare a transition plan to ease the process. Be ready to hand over responsibilities and train replacements if necessary. Stay professional to maintain a good reputation.
- 6. Time to Say Goodbye** Maintain professionalism during your departure. Avoid airing grievances during any farewell events to preserve the positive relationships you've built.

If offered a counteroffer, remember your original reasons for leaving and avoid being swayed solely by more money.

HISTORY & NEWS

Memories of Ringwood Railway

After many months of preparation, The Ringwood Society announces the premiere of their 'Memories of Ringwood Railway' exhibition at Greyfriars Community Centre.

On Friday June 21st between 7.30pm and 9pm there will be a private, members only showing for Society members. This will be followed on Saturday 22nd June, between 9am and 1pm, when the exhibition will be open free of charge to all. Following this pilot exhibition at Greyfriars, the full exhibition will run from Monday 1st July to Friday 2nd August in the Ringwood Meeting House and History Centre.

We welcome everyone to come along to see photographs, memorabilia and displays about 'Castleman's Corkscrew' railway, an important part of Ringwood's history for well over a hundred years. Featured will be newly filmed footage of local people who can remember the railway, providing memories to be kept for generations to come.

New Changing Places toilets open in Brockenhurst and Ringwood

We have installed new Changing Places toilets in Brockenhurst and Ringwood.

The new Changing Places toilets will ensure that disabled people, as well as their families and caregivers, have access to suitable facilities while living in and visiting the New Forest.

The new toilets feature a range of amenities, including height-adjustable changing benches, hoists, adjustable sinks, and additional space for wheelchair users, and can be accessed at any time using a RADAR key.

Cllr Geoffrey Blunden, Portfolio Holder for Environment and Sustainability, said: "The installation of new Changing Places toilets in Ringwood and Brockenhurst shows our ongoing commitment to creating and maintaining an inclusive district, where everyone can enjoy spending time in the New Forest. We're also very grateful to have worked together with charity Hadley's Heroes, who has provided us with invaluable advice when designing and installing these facilities."

In Ringwood, the Changing Places toilet has been installed in The Furlong short stay car park, opposite the main toilet block. In Brockenhurst, the toilet has been installed within the existing toilet block in the car park. These new facilities add to the existing Changing Places toilets available in the district, which are in Barton on Sea, Lymington, Milford on Sea, and New Milton.

We have been provided with £208,000 in funding from the Govern-

The exhibition was made possible through a grant from the National Lottery Heritage Fund and features newly filmed footage of local people who remember the railway. The grant terms mean the Society is offering a viewing for National Lottery ticket holders only between 1pm to 5pm on Saturday 22nd June, at Greyfriars.

Joe Moorhouse, Chairman of The Ringwood Society explained, "We are delighted to have videos that were filmed by students from Ringwood School under the guidance of Jay Cox of Fizeek Media. These really bring to life what the railway was like and include some interesting and funny memories from those involved." Joe went on to say "There is something for everyone and we hope that by opening on Saturday afternoons more local people together with tourists will be able to attend and also take the opportunity to look at the model of the railway station upstairs."

For more details about the project, please visit The Ringwood Society website at: www.ringwoodsociety.org.uk/projects/memories-of-ringwood-railway or contact us by emailing info@ringwoodsociety.org.uk

The Ringwood Society was founded in 1962 and aims to protect Ringwood's unique character. They believe that good quality design which reflects the town can enhance its history and provide a 21st century town of which we can all be proud. They also encourage people to explore the town through the use of the Town Trail that is available in many cafes and bars as well as on-line.

NEWS

Homeless Appeal

Following a recent meeting with Major Jamie Hill of the Winton based branch of the Salvation Army, Jock McMaster & Jon Grant have been asked whether it would be possible to ask the town-folk of Ringwood, Fordingbridge and the surrounding areas for their urgent support.

There are a number of homeless people, locally, who are in immediate need of specific items which include sweatshirts, jogging bottoms, t-shirts, polo shirts, hoodies, jeans & trainers (men’s size 8-11).

Jon’s estate agency office (Grants of Ringwood based in the Fur-long Centre in Ringwood) is the drop off point and your generosity would be most welcome.

Thank you in anticipation.

AVON WI

For Avon WI, the month of May has seen not only our Annual Meeting on the 14th but also our fund raising Coffee Morning event on the 24th.

The Annual Meeting was well attended and in the Secretary’s Report Members were reminded of the varied and interesting topics our Speakers had covered throughout the year plus the many social activities we had enjoyed, including the lovely open top bus trip through the New Forest in August and our Activity Day in October which proved very popular.

Our ordinary May business meeting followed directly and on conclusion our guest Speaker, Wendy Dooley, gave her talk entitled “Does Madam measure up?”. Wendy trained under the famous Berlei brand as a fitter in lingerie when department stores boasted such facilities. Wendy’s experiences and plain facts made her talk both frank and amusing and was much enjoyed by all.

Our fund raising Coffee Morning with books and bric-a-brac on sale attracted plenty of support and proved a most pleasant social occasion at a Member’s house and garden. Many thanks were expressed to her for all her hard work and kind hospitality in helping to make the event successful.

Avon WI is based in Fordingbridge and meets on the second Tuesday of the month from 10am to 12 noon at the Hall of the Roman Catholic Church, Salisbury Road. Visitors are always welcome.

Who does what in the New Forest

In the New Forest, there are three tiers of local government. There is Hampshire County Council, us at New Forest District Council, and your local town or parish council. The National Park Authority and Forestry England also have areas of responsibility. This graphic shows who is responsible for some of the most com-

monly requested topics. A list is also provided below as an alternative format. In the New Forest, there are three tiers of local government. Our *Happy* Clients

Very friendly and proactive estate agent, good and sound advice, (not always what I wanted to hear, but what I needed to hear!), kept me informed all the way through to completion and just generally making me feel comfortable and reassured during the whole process, despite tedious delays in the chain.
